WHEREAS, Republic Act (RA) No. 8981 or the PRC Modernization Act of 2000 empowers the Professional Regulation Commission (Commission) to administer, implement and enforce the regulatory policies of the national government with respect to the regulation and licensing of the professions under its jurisdiction; administer and conduct the licensure examinations of the various regulatory Boards in accordance with the rules and regulations its promulgated; and to adopt measures to preserve the integrity and inviolability of the licensure examinations, among others;

WHEREAS, the Commission, pursuant to its powers under RA No. 8981, issued Memorandum Circular (MC) No. 21 (S 2009) prescribing the allowable calculators for use in all licensure examinations;

WHEREAS, upon the recommendation of the Professional Regulatory Boards of Accountancy (PRB-ACC) and Civil Engineering (PRB-OCE), the Commission issued advisories\(^1\) prohibiting calculators which are programmable or with embedded functions, especially Casio FX991ES and Casio FX 991ES plus, in the May 2019 Accountancy and Civil Engineering Licensure Examinations;

WHEREAS, the Professional Regulatory Board of Medical Technology (Board) reviewed the list of allowable calculators under MC No. 21 (S. 2009) for the purpose of recommending possible modifications in the list, as deemed necessary;

WHEREAS, the list of allowable calculators under MC No. 21 (S. 2009), as amended by MC No. 01 (S. 2018), excluding Casio Calculator fx-991ES and fx991ES PLUS, may no longer be an accurate list to date since that there may have been items that are already not available or newer brands and models available in the market;

NOW THEREFORE, subject to the approval of the Commission, the Board hereby RESOLVES to recommend the following:

a. Calculators with the following features only are allowed — addition, subtraction, multiplication, division, trigonometric function, logarithm and \(\sqrt[ ]{-}\).

b. Calculators that can automatically carry out a sequence of operations under control of a stored program, much like a computer and/or with audio-visual features, and/or capable of external communication or Internet connectivity fall under programmable calculators are strictly prohibited.
