**WHEREAS**, Section 7(d) of Republic Act No. 8981, otherwise known as the "*PRC Modernization Act of 2000*", empowers the Professional Regulation Commission (PRC/Commission) to administer and conduct licensure examinations of the various Professional Regulatory Boards, promulgate the necessary rules and regulations in connection therewith, and determine and fix the places and dates of said examinations;

**WHEREAS**, the Commission issued Resolution No. 1927 (s. 2024) scheduling the Civil Engineers Licensure Examination (CELE) on September 27 and 28, 2025 in various testing centers nationwide;

**WHEREAS**, the Commission issued Resolution No. 1178 (s. 2019), on the "*Revised Guidelines on the Suspension or Cancellation of Licensure Examination during Inclement Weather and Other Unexpected Disasters*", in order to ensure the safety of examinees and examination personnel during inclement weather and other unexpected disasters;

**WHEREAS**, pursuant to Memorandum Circular No. 102 dated September 25, 2025, issued by the Office of the President, work in government offices in Metro Manila and other affected areas was suspended on September 26, 2025 due to the anticipated heavy rainfall brought about by Severe Tropical Storm "Opong";

**WHEREAS**, due to the suspension of government work in Metro Manila, where the Commission's Central Office Confidential Printing Room (CPR) is located, the timely preparation, security processing, and transmission of Test Questionnaires (TQs) to Regional Office CPRs have been rendered impossible, thereby affecting the logistics of the scheduled licensure examination;

**WHEREAS**, the health, safety and well-being of examinees, PRC examination personnel, and volunteer proctors remain the Commission's utmost priority and a main consideration in decisions involving the conduct of licensure examinations;

**WHEREAS**, the Professional Regulatory Board of Civil Engineering and the Licensure Office convened a joint coordination meeting with relevant PRC offices, and unanimously recommended the cancellation of the September 2025 CELE and its rescheduling to November 22 and 23, 2025.
